Protect Your **Vehicle**

Extended Warranty (Service Contract)

Protection from unexpected repairs long after your basic manufacturer's warranty expired.

GAP Advantage with PowerBuy™

In the event of a total loss or theft, this option pays up to the remaining balance of your vehicle loan after your insurance payout AND provides you with additional funds to finance your next vehicle with Tower.

Loan Payment Protection

Payment protection can pay off your loan in the event of death, or make payments on your behalf in the event of disability or other protected events.
