Mastercard® Automatic Payment Plan Application

With this free Automatic Payment Plan, Tower deducts your Mastercard payment from your Prime Share (Savings) or Regular Checking account. Payments can only be deducted from the account of the primary cardholder. Each month you can have either the total new balance or the minimum payment deducted from the account of your choice. Automatic payments are credited on the due date of your Tower Mastercard and deducted from your account approximately two business days later.

Please provide the requested information below. If you are a current digital banking user, you can electronically submit your Automatic Payment Plan Application. Simply login to digital banking and go to Additional Services and follow the instructions. Or, complete, print and fax this form to **301-497-8930**. Or, call Tower's Member Service Center at **301-497-7000** or **800-787-8328** to setup your automatic payment plan.

Members must be at least 18 years old to apply for the Mastercard Automatic Payment Plan. If you are under the age of 18, please have your parent/guardian fill out this application or call the Member Service Center.
